

# Newport Public School

## Homework Policy

### Rationale

At Newport Public School, we aim to promote a positive learning culture where everyone is inspired to be their best, while they are at school and at home. The NSW Department of Education Homework Policy encourages schools to develop their own policy that best meets the needs of their students.

The following document outlines homework guidelines for the Newport School community. The guidelines are the result of reviews in 2022 and 2023 and take into consideration current research, consultation with the community, students and teachers and Department of Education guidelines of Quality, Manageability and Communication. The purpose of these guidelines is to support, meaningful, manageable, and consistent homework procedures.

We believe that students benefit from consistent engagement with homework.

### Responsibility

For the successful implementation of this policy, the responsibilities of our school community are as follows:

- **Teachers:**
  - Set meaningful, relevant, and appropriate homework tasks that follow homework procedures and provide valuable and timely feedback to their students.
  - Communicate the purpose, benefits, and expectations of homework to students and parents.
  - Will assist parents to understand the content of the homework in line with this policy with clear communication and guidelines.
- **Students:**
  - Complete the homework tasks assigned by their teachers and return it by the due date.
  - Accept and act on feedback given about the quality of their homework.
- **Parents:**
  - Support their children to complete homework tasks set by their teachers. Parents are encouraged to be actively involved in their child's homework and this includes supervision, discussion, assistance and checking completed work.
  - Notify their classroom teacher if they are unsure on how to access the homework.

Year Group	Homework Activities
<b>Kindergarten</b>	<ul style="list-style-type: none"> <li>• Time recommendation: 10 minutes per day</li> <li>• Reading: Decodables</li> <li>• Heart words</li> <li>• Number practice</li> </ul>
