

Hooray! Back to School

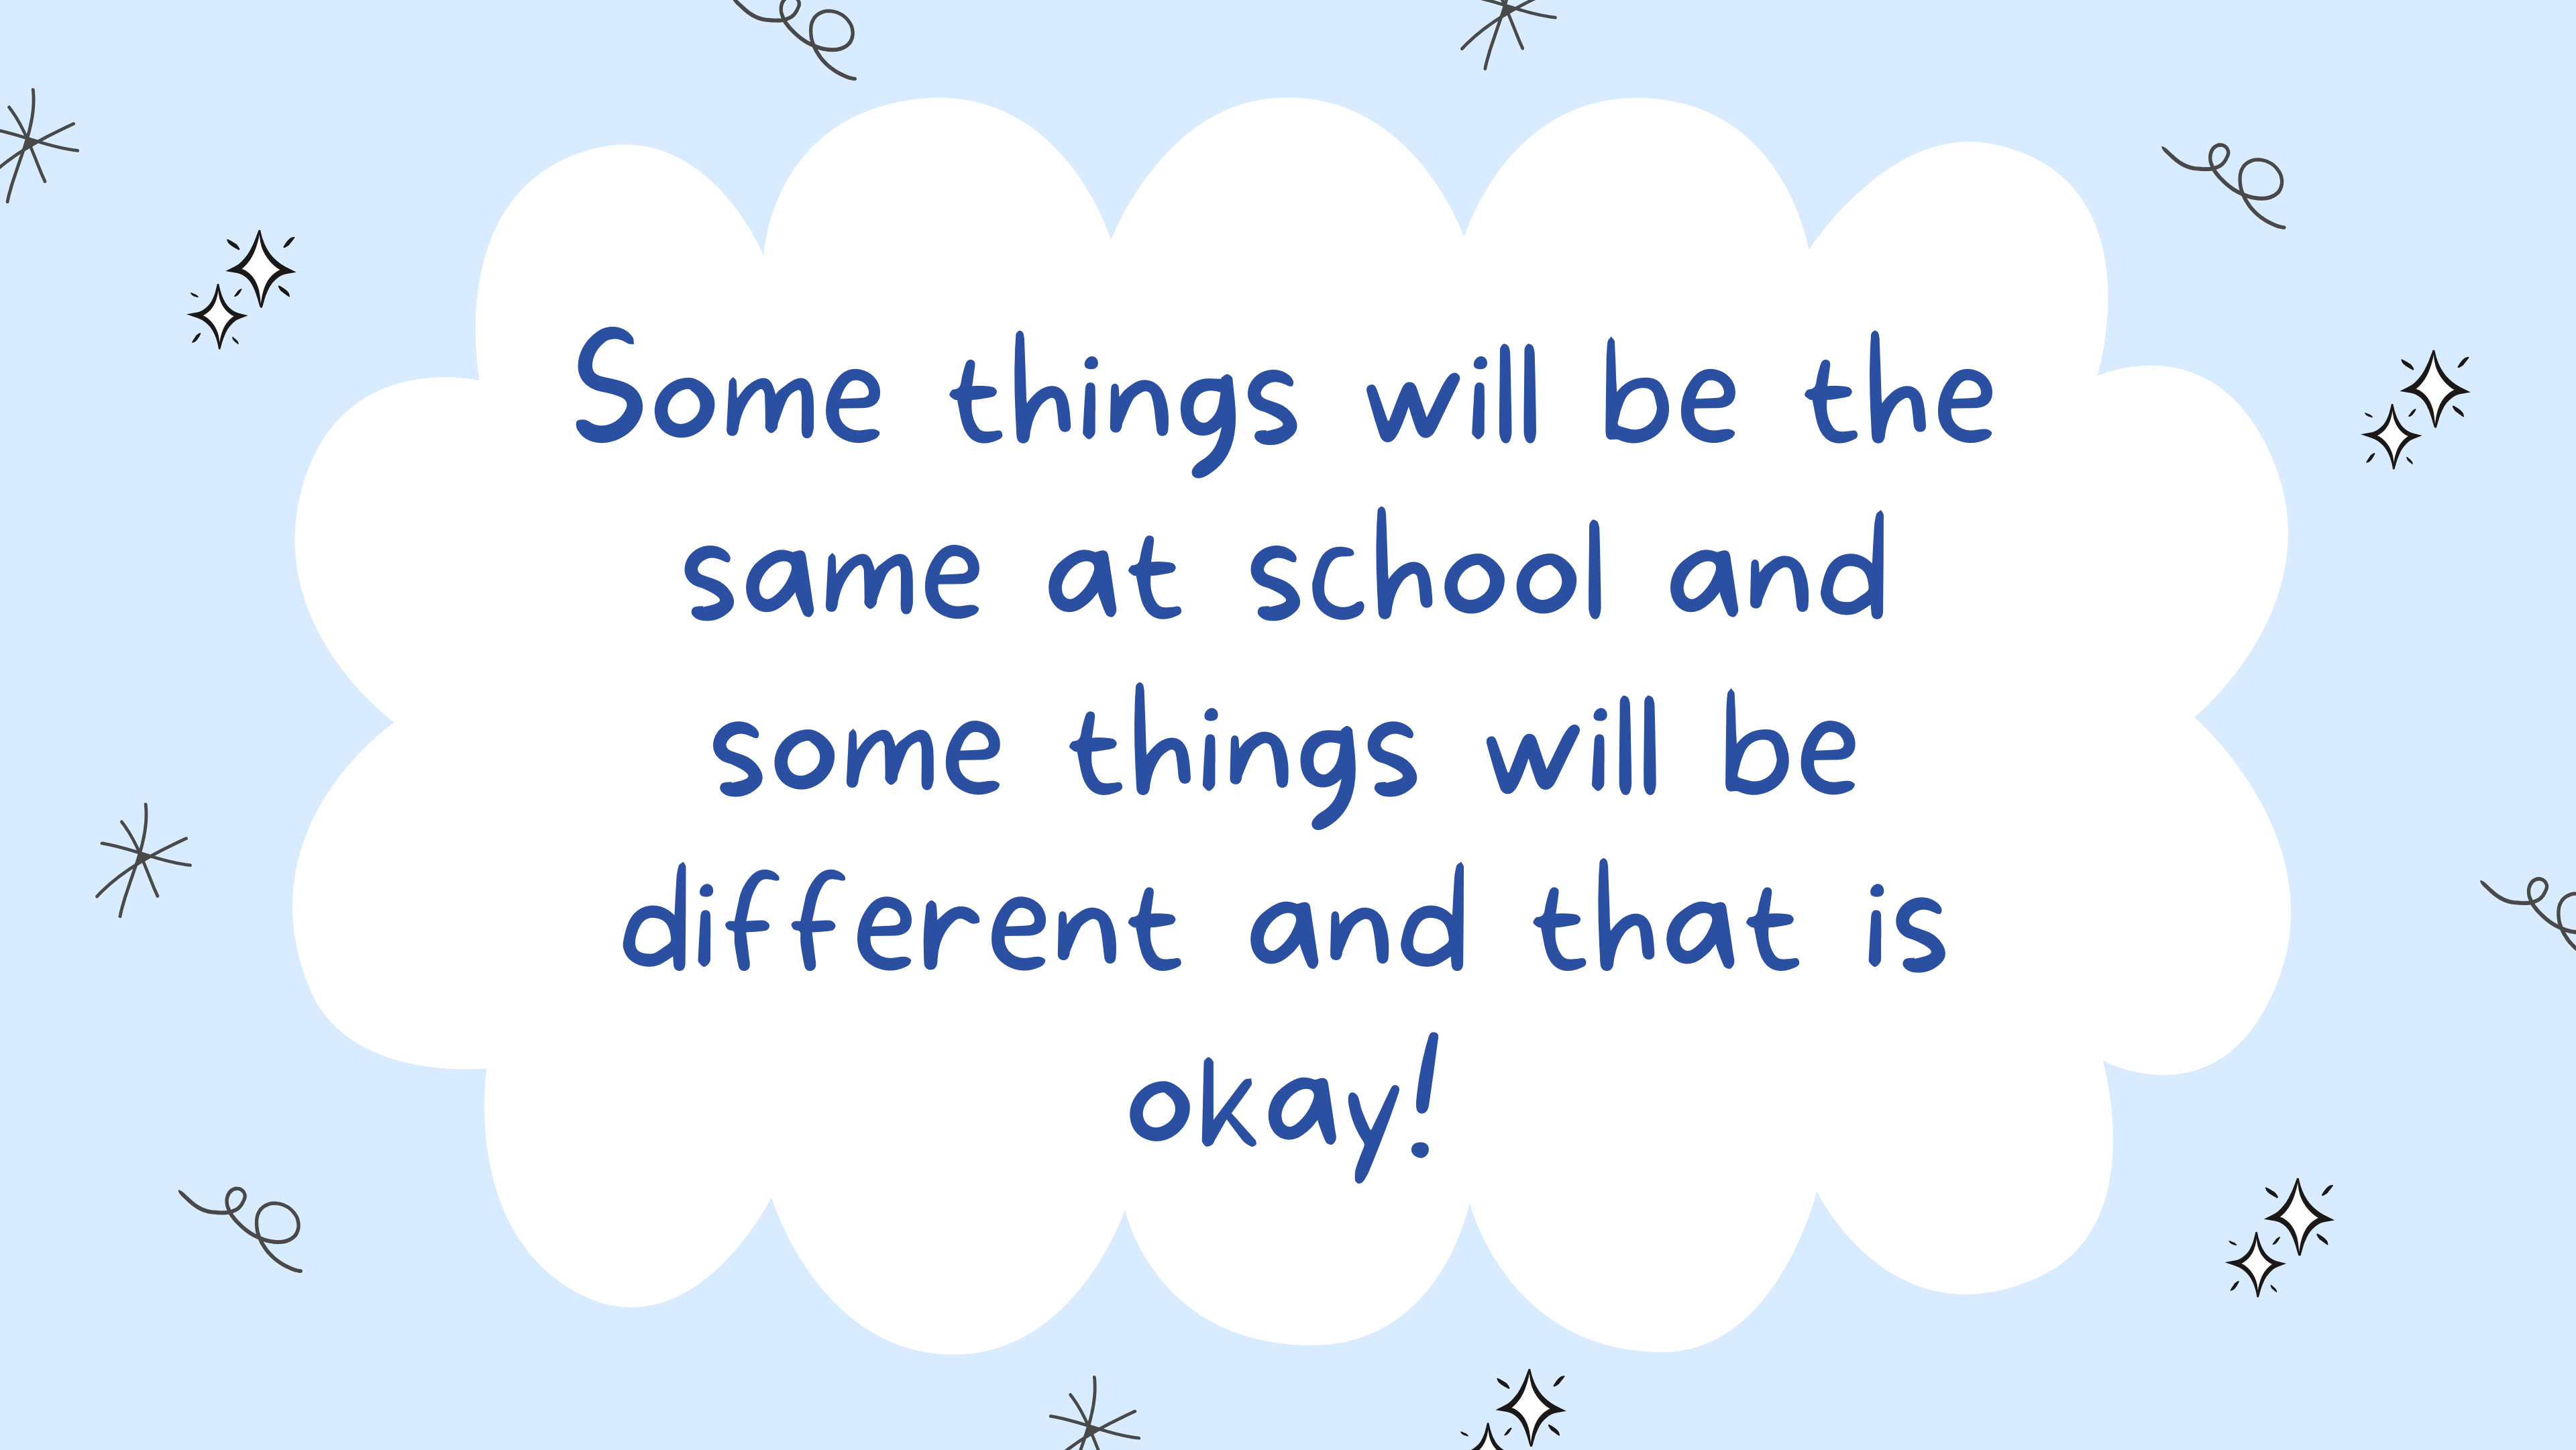

Mrs Baldi, Mrs
Deratz and Mr
Hearne along with all
the teachers are
very excited that
Kindergarten is
coming back to school.

Miss Troy, Mr Longo, Miss
Borrowman, Mrs Dupas and
Miss Cowling are really excited
to teach Kindergarten at school
again.

Some things will be the
same at school and
some things will be
different and that is
okay!

The things that
will be the same
at school are...

Our
expectations are
the same.
I Co-operate,
Achieve, Respect
and Engage to
be successful at
school.

The buildings
and classrooms
are the same.

I will follow
Kindergarten's
5Ls of
listening.

~

I will have my own
teacher again and I will
be able to sit next to
someone in class. The
desks will not be
separated.

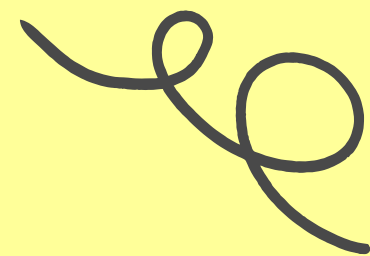

When my teacher asks me to do
something, it is not a choice.

I cannot choose whether to do the work.
I will do what I am asked straight away.

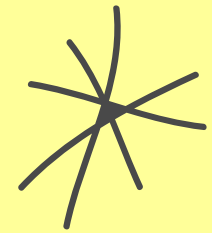

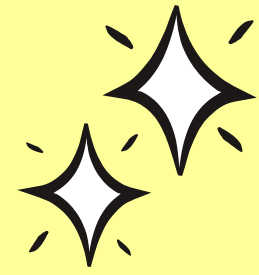

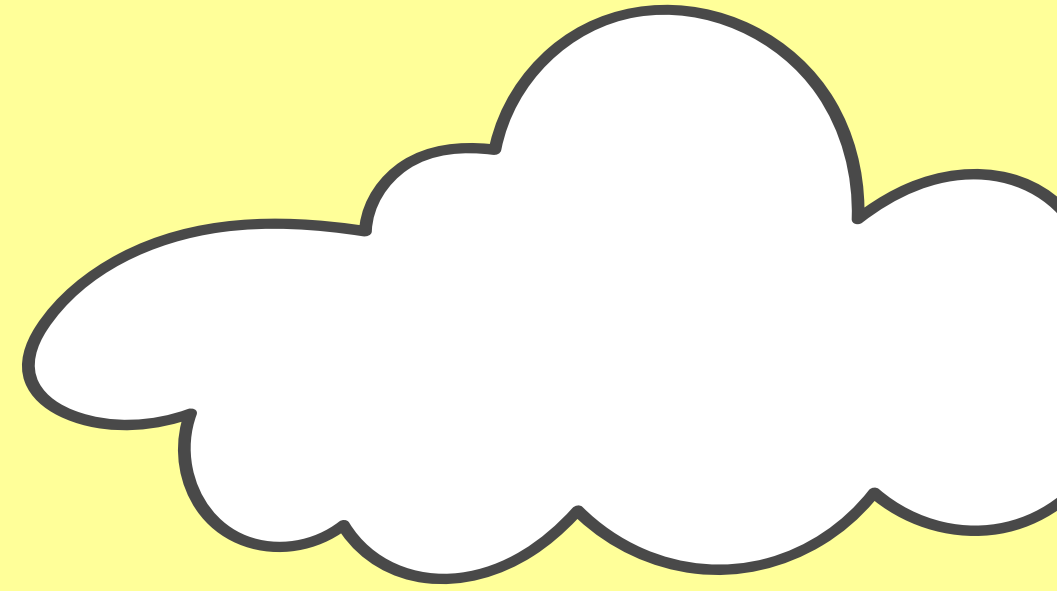

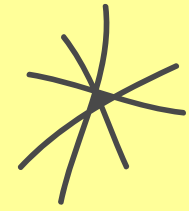

I will wash my hands
a lot when I am at
school to keep them
clean.

I will remember to go
to the toilet at lunch 1
and lunch 2.

I will bring food from home as well as a drink bottle. The canteen will be open for orders soon.

We will be able to play with
the construction and balls
in the playground.

I must not bring my own
toys or Pokemon cards to
school.

I might see Trevor in the playground or my classroom too. He is the same but his hair has grown a little longer. If I see him I will remember to ask before I pat him.

~

The things that
will be different
at school are...

I will wear my
summer uniform to
school and remember
to bring my hat
everyday.

I will walk into school from
the gate by myself.

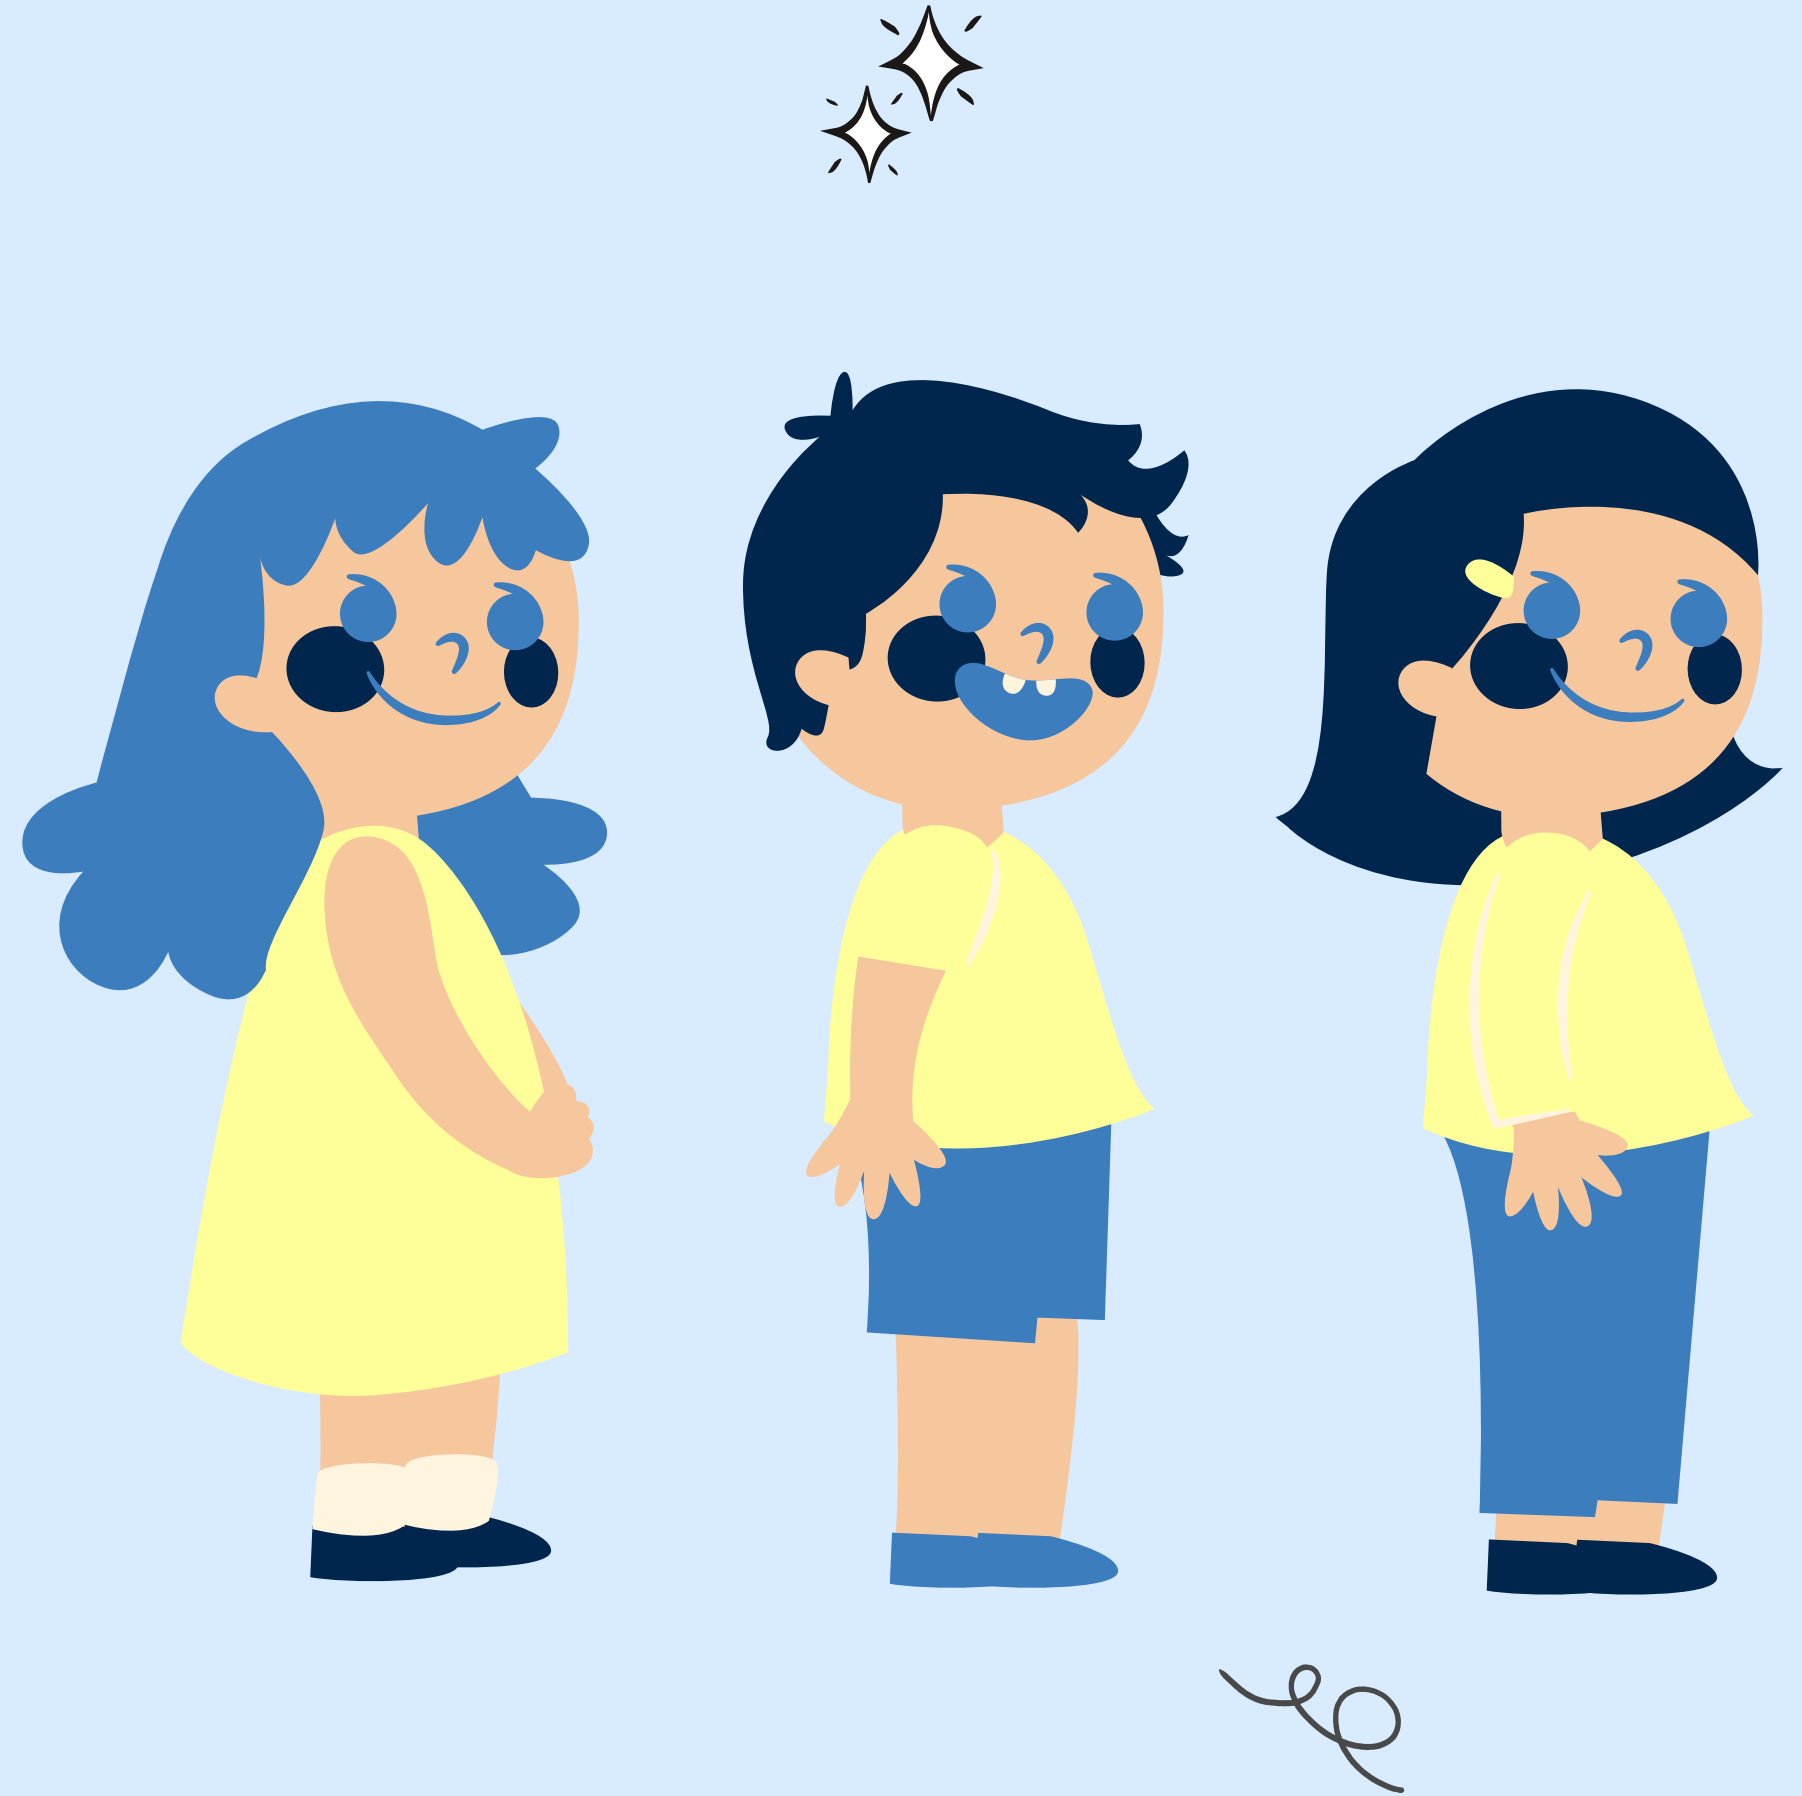

My teacher will be wearing a face mask. Some of the children may be wearing a face mask too.

In the morning when I arrive, I will put my bag on my spot and play in the Kinder playground. I will play with my friends, follow the CARE Code and ask the teacher on duty for help if I need it.

I will line up on my
spot when the bell
goes after playtime.

My teacher will walk me to the gate in the afternoon. I will remember my pick up plan. Some children will meet with their brother or sister. Some children will go to Kiss and Drop. Some children will go to OSHC or to catch the bus and some children will meet their parents at the gate.

Some things will be the same and some things will be different at school but that is okay because Newport Public School is an amazing school full of people who care about me.
