2019 ICAS SCHOOLS COMPETITIONS

Dear Parents,

The University of NSW offers students an opportunity to participate in the International Competitions and Assessments for Schools (ICAS) assessment. The assessments available are in Science, Writing, English and Mathematics and provide opportunities for capable students in Years 3-6 to gain a measure of their own achievement in an external assessment.

Students who participate will receive a certificate and a letter detailing their results, highlighting student's strengths and areas for development.

These are externally written tests and they may be more suited to children with high language skills. Participation in these tests is optional.

Please note this year the ICAS Assessments are online, except for the Years 3 and 4 writing paper.

To minimise disruption to class programs, these exams will take place at 8:00am on the morning the exam is scheduled, before school. As this is an external exam we cannot allow children to re-sit the tests if they are absent on the day and we cannot give refunds.

Competition	Date of test	Cost
Science	Thursday 5 September 2019	\$14.50
Writing	Tuesday 10 September 2019	\$14.50
English	Tuesday 17 September 2019	\$14.50
