RELIEVING PRINCIPAL'S REPORT

The Twilight Concert last Tuesday evening was a wonderful opportunity to hear the progress that has been made over the year, by our talented musicians. The evening was very entertaining with a great mix of pieces being played such as Bunyip Blues, Haunted, Twinkle, Twinkle Little Star, Area 51, Happy and the very timely James Bond theme as well as Star Wars, which was played as a combined piece. Our Year 6 Music Captains, Jasmine Adams, Lucinda Hickson, Chloe Shepherd and Tom Watson all spoke beautifully about the people who have contributed to their success and that learning music is more than just practising every week but teaches persistence, getting along with people and giving everything a go. We are very fortunate to have such a sophisticated music program at our school, with many talented and dedicated conductors, tutors, managers and parents. Many thanks to Julie Hickson for co-ordinating the evening and congratulations to everyone involved, including the students who performed beautifully on the night.

A list of Year 6 music students, recognised for their dedication to the Music Program over the last 4-6 years has been included in latter part of the Natter.

This year, we will be farewelling John Stone who was the founder of our Music Program, 25 years ago. We couldn't let 25 years of passion, commitment and dedication to the Music Program pass without acknowledging the impact John has had on so many people, as a conductor, tutor and mentor to many young musicians. On Friday 11 December at 2.15pm our music students will be putting on a little concert on the eastern astro turf, to thank John for his time at Newport. Everyone is welcome.

Last week we celebrated our last Banner Assembly for 2015 with a number of students from Kindergarten to Year 6 being recognised for being living examples of our CARE code – to cooperate, achieve, respect and engage. Congratulations to these students, their teachers and families who have obviously been such a positive influence on their lives.

Jesse Cavanaugh, Jake Jessop-Mrkic, Amy Niddrie, Macy Hitchman, Cyrus Rosenwax, Madeleine Nielson, Eloise Catterson, Juno Gerlach, Jade Wandl, Lewis Whiley, Noa Hayson, Madison Schooley, Finn Lange, Hayley Fisher, Chloe Rawnsley, Pearl Pride, Mia Pettitt, Vishal Fisher, Makayla Meek, Oscar Harper, Jake Clarke, Dylan Searl, Zara McCauley, Max Baker, Olivia Stephens, Maxim Davey, Holly Hines, Dean Rogers, Morgan Flynn, Charlotte Bensley, Sophia Lockhart, Zachary Paul, Ella O'Mahony, Max Searl, Olivia Lisle, Jorgie King, Harper Woodley, Summer Smith, Joel Lever, Corey Schwerdtfeger, Will Phelan, William Rodgers, Elijah Frost, Darcy Kirkland, Hamish Douglas, Laura Paterson, Joshua Walter, Indira Mellers, Nicholas Arruzza, Lara Silver, Niamh Lange, Charlotte Jones, Kealan Giddy, Mathijs Diaz-Bauste, Kayla Hasankhani, Drew Ockwell, Noah Wandl, Jack Robards, Liam Gregory,

Tess Lever, Tash Barton, Mia Links, Matilda Meek, Brody Hurst, Liam Davidson, Lachlan Wade, Jeremy Kirkland, Kaia Jackson, Isabella Stephens, Luka Tailby, Raya Stelzner-Hill, Ella Vartuli, William Handscomb, Felix Cowin and William Bryant. Congratulations too, to our Year 4 students who toiled long and hard to create gifts to sell at Year 4 Market Day on Wednesday. The students raised \$1920.00 which will be donated to the Happy Day Cambodian Village School founded by Mike Pawley. <http://www.happydayscambodianvillageschoolinc.org.au/home>.

Congratulations Year 4 on being other person centred and thinking about "giving", as opposed to "getting," at Christmas time.

Congratulations to our Girls' Cricket Knockout Team who travelled to Maitland on Tuesday to play the last two rounds of the competition. The girls won their first game against Blayney Public School and lost their second game against Nemingha Public School. Congratulations to all of the wonderful bowlers, batters and fielders for their efforts and to Mr Renkert for coaching the team.

This week, your child will be bringing home his/her 2015 Semester 2 Report. The purpose of these reports is to communicate information to you about your child's learning including his/her level of attainment and the progress he/she has made when compared with syllabus expectations. Teachers consider the requirements from the syllabus and make a "point in time" judgement about what a student should be demonstrating halfway through the year and then again, at the end of the year so each student's achievement is compared with the expectations described in the syllabus document. If a student achieves a "sound" it means they are achieving at a level that is expected, according to the content and skills covered in that semester. Much time and effort goes into writing these reports and we hope you find them both valuable and informative.

Coming up this week we have our Kindergarten 2015 Celebration Assembly, our P & C Christmas Market fundraiser which will run in much the same way as our Mother and Father's Day stalls, Years 1-6 Presentation Assembly, Year 6 surf lifesaving, a mini-concert by our musicians from the Music Program and the P & C will be thanking and celebrating another successful year with staff, on Friday afternoon. We are looking forward to seeing you at these events.

Year 4 Market Day!

Last Wednesday, Year 4 held their Market Day. The students had worked hard to design, produce and sell their handmade items to fellow students. A happy day was had by all. Many of younger students enjoyed the freedom to browse and purchase items with their own money and were able to take home lots of goodies!

All proceeds from the Market Day will be donated to Happy Days Cambodian Village School Inc. The Year 4 teachers are happy to announce that over \$1900 was raised on Wednesday. Thank you to all participating students and teachers. Your kindness will help children in need.

Year 4 team.

SNOW SPORTS NEWS

As the days grow longer and warmer we can reflect on the success and good times of yet another great year. Newport families participated in a variety of races and enjoyed the social side of our program with a winter solstice season party, Christmas in July and our end of season Japanese bbq. This year some of our skiers and boarders also made it to Victoria for the National Titles held in Mount Buller. While the season officially ended over two months ago, some of our competitors will be heading to the Northern Hemisphere this summer to catch a slice of winter. There are several programs held in the overseas resorts specific to Interschools training and racing.

The SkiJapan.com Junior Training Academy is holding specially moulded progressive camps that are fun, safe and challenging in the competitive disciplines of Alpine GS, Moguls, Skier Cross and Snowboard Cross/GS. These camps are held in Hokkaido Japan and saw quite a few Northern Beaches Interschools competitors along with International students participating this year. For more information contact <http://WWW.SJTA.NET>.

For anyone interested in participating in next year's Interschools, our Northern Regionals will be held in the first week of the July school holidays at Thredbo. Please see Mr Tickle if you are keen. Thanks again for a great year.

We're dreaming of a White Christmas,

The Snow Sports Committee.

TECHNOLOGY NEWS

2015 has been a busy year with technology at Newport Public School.

Wi-Fi access points have been installed across the entire school now; making accessing technology easier from more places and helping us make better use of our mobile computing devices.

Mr Michael in his role as ICT coordinator at Newport Public School has been upskilling staff and also working with classes to increase familiarity with, and effective use of, technology to support and enhance learning outcomes.

Earlier this year, Kindergarten classes commenced computer mentoring sessions with Mr Michael, making use of the computer lab and learning how to familiarise themselves with the terminology of ICT, log-in to the desktop computers and accurately control the mouse. It is a big stretch for little fingers to press Control, Alt and Delete and we made use of the rabbit ears (two left hand fingers for Control and Alt) and carrot (pointer from right hand) method for hitting those keys simultaneously. The Tux Paint program was utilised to help students gain control of navigating a mouse and using the left click mouse button, and within a few sessions students were creating masterpieces.

Year 5 students became familiar with Padlets and have used them to successfully share ideas and collaborate with students around the world about the novel *Fish In A Tree* as part of the Global Read Aloud 2015. They also utilised SKYPE to video-call schools overseas and discuss the novel, and acted out and filmed a scene from the book using school iPads.

Famous Explorers were researched with Year 4, who used their critical thinking skills to locate and summarise key information and use facts, pictures and timelines to create colourful, visually appealing, infographic assignments with Microsoft Publisher.

Next year sees the introduction of more mobile technology at Newport Public School and a focus on project based learning in history and science, where students actively explore real-world problems and challenges and acquire a deeper knowledge through research and using technology to present their learning in new and exciting ways.

A lunchtime Robotics Club has commenced with 16 students from Stage 3 taking part in weekly sessions using Lego Mindstorms NXT robots. Students taking part in these sessions have been introduced to basic programming and robot design and are learning how to use ultra-sonic, infrared and touch sensors to accurately control their robots. Mr Michael and Mrs Logan have been running the Robotics Club and look forward to continuing it into 2016.

"Afternoon i-Tea" sessions have been running to introduce staff to a variety of useful programs and apps, and help them better integrate technology into their teaching to enhance and support student learning.

Our technology mentoring would not be possible without the generous contribution from the Newport community and we thank the P&C for their funding to allow these sessions to take place. Mr Michael will continue to work with Newport students and staff in 2016 and regular updates will be posted in the Natter.

CHESS NEWS

What a great year it has been for our chess players with contests and social chess. The standard of play has really lifted and I can honestly say this is the most competitive I've seen our players for some time. The lunch time end of year tournament (which has just one week to go) has attracted 44 Newport players in total. With the long hot summer days upon us now and the holidays just around the corner, a chess game to fill in the afternoon after the beach is just the thing to keep the mind sharp. Chess boards are also generally reasonably priced and make great Christmas gifts.
