### **Deputy Principal's Report**

Dear parents,

We had another busy and engaging week for students at Newport.

On Monday, Year 5 students visited Pittwater High School for a High School Experience day. The purpose of this day is to allow students to preview the high school environment and timetable and to participate in a range of learning activities.

Thankyou to Mr Hearne, the Year 5 team and to Pittwater High School for facilitating this wonderful day.

On Wednesday or Thursday Year 3 students attended an excursion at the Coastal Environment Centre. The students travelled to Long Reef where they studied evidence of change to the earth's surface in a local environment. Thankyou to Mr Cox and the Year 3 team for organising this excursion which supplements the Year 3 Science and Technology unit - Earth and Space and to the parents who accompanied the students on the excursion.

Congratulations to the members of the Chess team who represented Newport at the Primary Schools' One Day Northern Beaches Chess Tournament last Thursday at Mona Vale School.

Reports about the Year 5 High School Experience Day and the Mona Vale Chess Tournament can be found later in the Natter.

This year's Book Fair fund raiser held in the library was, with your support, a great success with many books being purchased. Proceeds from the Book Fair will be used to purchase additional resources for our school library. Thankyou to Stephanie Bracey, Gine Svendsen, Rita Ericsson and Sue Punton for organising and running this event.

We celebrated the achievements of those students who received a Newport Banner at the Banner Award Assemblies on Tuesday and Thursday.

Four students attended the PCS/DEC Maths Challenge Camp held last Monday and Tuesday. There they pursued the goals of thinking deeply about Mathematics and thinking like a mathematician to problem solve in a variety of activities. Thankyou to Adam Hearne for accompanying the students and for supervising and teaching at the camp. Further information about the camp can be found later in the Natter.

The gardens in the raised beds which were installed during the Working Bee are growing well. Students have really enjoyed watering the garden beds and monitoring the growth of the plants each day. Thankyou to Bruce Baker and Carla Pettitt who have given their time to teach interested students how to care for the growing plants. Coming up this week, we have the School Concert being performed on the evenings of Tuesday 15<sup>th</sup> and Thursday 17<sup>th</sup> November. at Pittwater High School hall. The theme of this year's concert is "It's a Wonderful World". The students are very excited about performing at the concerts and have been enthusiastically rehearsing their items at school. The concert rehearsal will be held tomorrow Tuesday 15<sup>th</sup> November at

Pittwater High School. The canteen will be CLOSED tomorrow.

At the time of writing, tickets for all concerts are still available from the office. If you have paid and haven't received your tickets yet, please check with Mrs Holden at the office as there have been some orders placed without a name.

A reminder that parents are to collect their child from the class teacher at the end of the concerts. Please notify your child's teacher in writing if you have made arrangements for your child to be collected by a relative or family friend after the concert.

Year 5 will continue their Leadership Program this week. In Week 7 the program will culminate in the formal election processes for our captains for 2017. Today, Year 5 will receive a note explaining the specific details of these processes. As the results of the captains' voting will affect the entire school, Mrs Logan has included a brief outline of the format later in the Natter. From all reports, Year 5 as a group will lead the school extremely well next year. We know they understand the positive impact they can have on all students as the school's elders in Year 6. Their positive contributions, whether in formal or informal leadership positions, will be appreciated by the entire community. For all those hoping to achieve a formal leadership position, I wish you the very best of luck.

Round 5 of the Girls' Cricket Knock Out will be held this Wednesday 16<sup>th</sup> November. The Life Education program which focuses on health and safety, begins at Newport this Thursday 17<sup>th</sup> November and will run for three weeks.

Regards,  
Deborah Deratz.

## Sunsmart at Newport

Ultraviolet (UV) radiation from the sun can cause sunburn, skin damage, eye damage and skin cancer. Childhood and adolescence are critical periods during which exposure to UV radiation is more likely to contribute to skin cancer in later life

From the beginning of August until the end of May, the UV index levels are 3 and above. During these months particular care should be taken to protect yourself and your child from overexposure to the sun.

The following symbols from the Cancer Council remind all of us to:

At Newport School we have a "No Hat, No Play" policy. The staff at Newport enforce this policy to help protect your child from the harmful effects of UV radiation. You can help you child by reminding them to wear their broad brimmed hat to and from school each day and during sport, recess and lunch.

## What is ultraviolet (UV) radiation?

UV radiation comes from the sun, but unlike sunlight, it can't be seen or felt. It comes directly from the sun and can also be scattered in the air and reflected by surfaces such as buildings, concrete, glass, sand, snow and water. UV radiation can pass through light cloud and can be damaging to skin on cool, cloudy days as well as on hot, sunny days.

There are three types of UV radiation:

- UVA: transmits freely through the earth's atmosphere.
- UVB: about 15% of UVB transmits through to the earth's atmosphere. The rest is absorbed by ozone.
- UVC: is absorbed by ozone and does not reach the earth's surface.

UVA and UVB both contribute to sunburn, skin ageing, eye damage and skin cancer. Your risk of developing skin cancer is related to the amount of UV radiation you are exposed to over your lifetime, particularly in childhood.

So please remember to:

## LIBRARY NEWS AND BOOK FAIR THANK YOU

We would like to extend a big thank you to all the students and their families who purchased books at our Book Fair last Thursday. You made it a wonderful success and your support for this library fundraiser is greatly appreciated. Hopefully, many of you were able to do some early Christmas shopping. Most, if not all, students should receive their orders by the end of this week. Come and see us in the library if you have not received your order by the beginning of Week 7. Thank you also to Gine Svendsen, Rita Ericsson and Sue Punton for their time and assistance with the bustling Book Fair.

Now is the time to start looking for misplaced/lost library books. **All library books will need to be returned to the library by the end of Week 8** (Friday 2<sup>nd</sup> December, 2016), in preparation for our end-of-year assessment and stocktake.

**Stephanie Bracey, Gine Svendsen and Rita Ericsson.**

## Maths Challenge Days

We had a fantastic learning experience at last week's Maths Challenge. The main message from the camp was for us to think like a mathematician. To do this we have to pose questions, set hypothesis, collect and record data and look for patterns to prove our hypothesis. We then needed to reflect on our results.

During the two days we were able to practise these skills in activities like dome building, tessellation activities, Fibonacci sequences, and petals around the rose.

Below, we have included a problem we had to work on during our lessons. We would like to challenge you to think like a mathematician and complete the problem, collecting data to show as many patterns as you can.

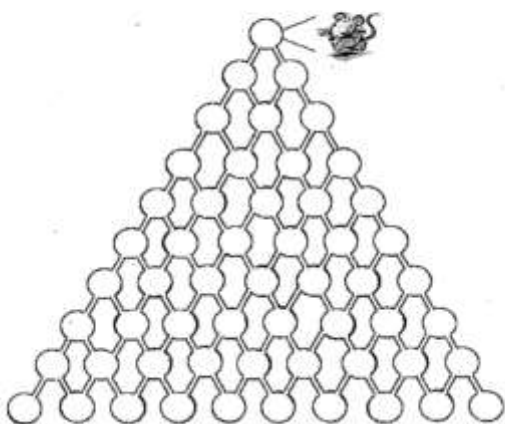

Next week we will publish the results we found.

We hope you enjoy the challenge.

Regards Toby, Mia, Sebastian and Bethany.

### The Mouse's Problem

The Mouse had a problem. It needed to know how many different ways it could go to get to each of the rooms in the 'mouse house'. It was allowed to move only in a downward direction.

## KAR Young Composers' Award

When I got to the top of the beanstalk I saw a fairyland that had chocolate lakes. All the houses in the land were made out of chocolate, even the sun and the sky and also the grass. In the grass I found a chocolate treasure chest that was full of chocolate treasure. I met a real fairy. I went to her house for supper. The fairy looked like a little angel in her little fairy house. She had blonde hair and red lips. She said what would you like for supper dear? I chose spaghetti and fries. She gave me choc chip cookies and cupcakes with cherries on top.

## High School Experience Day

Last Monday our Year 5 students attended Pittwater High School for their 'high school experience day'. What an amazing day they had! So many engaging lessons were planned. Some inspected the crops and animals with the Agriculture Department, and others made mini pizzas in Food Tech. The scientists in our cohort came alive in the science lab with interesting experiments and the actors enjoyed the drama lesson. It was an excellent way for the students to navigate their way around the school steered so ably by the wonderful Year 9 PHS hosts, while enjoying a variety of lessons. Year 5 demonstrated why they will make excellent leaders of Newport PS next year.

## Chess News

Last week 18 Newport chess players competed in the Primary Schools One-Day Northern Beaches Chess Tournament held at Mona Vale Public School. Students played in teams of three players each in a Swiss format system. The contest attracted 44 teams from 9 different schools with a total of eight rounds being held throughout the duration of the day. By the 7th round Newport A team were holding down first place by just half a point but a very determined Mona Vale team pushed them to 4th place in the 8th round. While the team of Thiago O, (captain), Aaron H and Rafael O were disappointed with narrowly missing the podium, they did gain state selection and will head to North Sydney Boys' High School on Sunday 27th November to compete in the Primary Schools One-Day Tournaments NSW Finals. Congratulations boys, an outstanding achievement.

Many thanks to all our keen chess players who proudly represented their school and a big thankyou to our parent helpers for transporting the players to and from Mona Vale Public School.

### Free School Travel changes for 2017

Why re-apply if I get free school travel every year?

So that Transport for NSW can accurately compensate private ferry operators for free school travel on their service, it's important that a proper record is kept of all students travelling.

#### What's happening?

The process for approving free school travel by private ferry is changing for 2017.

- You will need to re-apply online at [apps.transport.nsw.gov.au/school](http://apps.transport.nsw.gov.au/school) before 30 November 2016. If the student is 30 years or over, they need to do the application themselves.

- The eligibility criteria for free school travel are not changing, so your child should still be eligible.

However, the maximum distance criteria between home and school are different when a student enters Year 3 or Year 7. You can find out more at [transport.nsw.gov.au/school](http://transport.nsw.gov.au/school).

#### What do I have to do?

##### For students already using a private ferry

- If the school travel is only by private ferry (not: no other form of public transport), you need to do a new application at [apps.transport.nsw.gov.au/school](http://apps.transport.nsw.gov.au/school) selecting 2017 as the year of travel.
- If another form of public transport is also used for school travel, you need to update application at [apps.transport.nsw.gov.au/school](http://apps.transport.nsw.gov.au/school) selecting your local ferry operator to the list of transport operators. You only need to make one update, which will include all of the student's required transport operators.
- The online re-application process is easy and only takes 5-10 minutes.

##### For applying for free school travel for the first time

- Simply complete a new online application at [apps.transport.nsw.gov.au/school](http://apps.transport.nsw.gov.au/school)
- The previous (blue) paper application forms will no longer be used in 2017.

#### What will happen next?

- If you are doing a new application, the school will need to endorse. Once we receive the endorsement and the application has been approved, we will send you an email confirmation and also inform the ferry operator (and other operators if relevant) about school travel for the student.
- If you are reapplying, there's nothing more for you to do. Once we've processed the application, we will send you an email confirmation. If the student currently has an eCal card, this will be updated for 2017 travel, so you shouldn't throw it out.

at 6.30pm SHARP (NOOSHC Room 2)**

Are you thinking you would like to be a little more involved in your child's care centre – why not consider a position on the NOOSHC PMC - we urge you to come along and get involved. All are welcome to the PMC meetings – add your voice to the working of your NOOSHC service.

Cindy MENZIES has done a fabulous job as President for the past year (previously Vice President), along with the other members of the Committee (Tracy, Ana, Megan, Carla, Karen & Cherise), but it really requires more people to be involved so tasks can be shared.

As NOOSHC is an incorporated association it must legally have a PMC - the Parent Management Committee consists of President, Vice President, Secretary, Treasurer and Public Officer as well as Ordinary Parent Committee members (x3).

**In 2017 we are looking for an Ordinary Parent Member to join our wonderful group of volunteer parent committee members.**

NOOSHC is also involved in the accreditation process through ACECQA (Australian Children's Education and Care Quality Authority), parents are required to actively participate and we will be looking for support from parents.

Another way to be involved is through the fundraising activities conducted throughout the year or just to come along and chat with the children about your job, share some gardening tips with the children. If you don't have a green thumb maybe some art or

A nomination form for Ordinary Parent member 2017 has been emailed out to all current NOOSHC families and additional copies can be collected from NOOSHC. The Roles & responsibilities of the committee positions are available on request.

Could you fill in a nomination form and return to Cindy at [nooshcparentmanagementcommittee@mail.com](mailto:nooshcparentmanagementcommittee@mail.com) no later than Tuesday November 29th 2016.
