General Permission Note

Walking excursions within the vicinity of the school

When covering a particular area of the curriculum, teachers may arrange for their class to visit places in the local area (e.g. park, shops). As well, students may be asked to walk to a local facility for a sporting event or to the local clubs under teacher supervision. Permission is sought so that your child may be included in such excursions. Please note, classroom teachers will inform parents/caregivers of such walks through general classroom communication channels.
